PREFACE

For the past 50 years I have been racing pigeons with great success. My pigeons not only perform excellent for me but also for fanciers in other parts of the world. A youngster bred out of a pair I donated to Steven van Breemen became one of his best racers and a bird I sent to my dear friend Gommaire Verbruggen won 37th position from Barcelona competing against thousands and thousands of the world's best pigeons.

In South Africa well known names like, André Carelsen, Nico Dreyer, Frank Parkin, Sebastian Klue and many other fanciers can depose of the success they had with my pigeons.

The reason for these tremendous successes achieved with my pigeons were the quality of the pigeons I obtained from fanciers like Gommaire Verbruggen, Oscar de Vriendt, Campbell Strange USA, Jos Deno, Gaby Vandenabeele, Nico Dreyer, André Carelsen, Piet Klue, Walter de Rijck, Herbots, Rijckaert, Frans van Beirendonck, Jos van Maele, Piet Schoeman and Willie van Rensburg.

The late B M van Wyk imported birds from Oscar de Vriendt during the early sixties. I obtained the birds after he died and had tremendous success with the birds when I crossed them with Janssens I got from the late Willie van Rensburg. Look at the results below and judge for yourself.

1972 Won Club and Union averages.

1973 Won Club and Union averages.

1974 Won Club and Union averages.

1975 Won Club and Union averages.

1976 Won Club and Union averages.

1977 Won 2nd Club and 2nd Union averages.

1978 Won Club and Union averages.

1979 Won Club and Union Averages.

1980 – 1985 Won Club and Union averages.

Aan die einde van 1985 verhuis ek na die VSA vir bemarking van my maatskappy se film The Gods Must Be Crazy.

Gedurende 1990 keer ek terug na SA en bou onmiddellik 'n hok vir my duiwe op my nuwe perseel wat ek gekoop het. Van die begin het ek geweet dat dit die swakste plek in Bloemfontein is om duiwe te vlieg. Maar omdat die huis 'n uitsig oor Naval Hill het en aangrensend aan die Franklin Natuureservaat is wou ek graag daar woon.

Duiwe was nou prioriteit No. 3 vir my. Eerste en tweede prioriteit was my familie en ons sakeryk en my talle vriende. Ek woon vandag nog in Eden Bloemfontein.

Reference Pigeons:

Janssens - I obtained several Janssens from the late Willie van Rensburg from Florida Johannesburg. Two cocks that really proved their gold were 191171 TVL 74 and D 337 WRPU69. 191171 sired 2 car race winners and many winners for me and other fanciers.

Oscar de Vriendt - No introduction is necessary because of the success of these wonderful pigeon family. When B M van Wyk imported Oscar de Vriendts from Belgium nobody really knew what influence these pigeons would have on pigeon racing in SA. I was fortunate to obtain most of the birds after B M van Wyk's death.

Among the pigeons I bought was Belg 3343972/61, a super breeder and dam and grand dam of more than 40 winners. She could have been called Golden Lady. Her offspring performed throughout my pigeon career, but there were also the other Oscar pigeons I bought that were as good breeders as Belg 3343972/61.

D7 BPU 70 was bred from an Oscar cock and won Club and Union races from 260 kms to 800 kms. I also imported OFH 642 - 96 from Campbell Strange USA. He bought all the stock birds from Oscar de Vriendt. 6421-96 is the dam of D2686, best bird in the Fed, one of my best birds ever.

Jules Rijckaert - Jules Rijckaert was a legend in pigeon sport. I was fortunate to obtain some of his best pigeons, Belg 4640695 - 82 Red Rover sire of Blondie best bird in Fed, 3rd best bird SANPO, was one of the best breeders I ever owned.

So is Jules' red Rijckaert cock that Nico Dreyer bought from me. He bred winners for fanciers who were fortunate to obtain birds from this wonderful Rijckaert cock.

Frans Van Beirendonck - I obtained several pigeons from Frans. Two cocks Belg 6323986 - 94 and Belg 6323963 - 94. Sire 1st and 2nd best birds in Fed and 2nd and 3rd best birds SANPO.

Gommaire Verbruggen - I refer to Gommaire as the gentleman of the sport. I obtained children from his best birds like - 020, Kletskep, Sheena, Kadet and many more. The success Verbruggen pigeons achieved are just phenomenal. Thank you Gommaire your pigeons made pigeon racing easy.

Piet Klue - I obtained two of Piet's best birds, 9120 - 89 Two Tone, a winner of 3 x 1st Fed, 1x 3rd Fed - 2 x 4th Fed - Best bird in Fed. What a Lady 7988 - 85 Twice the Best bird in the Federation and a winner of two federations.

Gaby Vandenabeele - I bought a direct son of Bliksem, (Lot 10 on Johannesburg Auction), from Gaby, Belg 3008006 - 06 - Chequer. He is worth Gold, Silver and Platinum, what a pigeon - Excellent - Fantastic breeder, sire of some of the best racers in my loft.

Walter De Rijck - Well known Belgium fancier. Here again I obtained some of his best birds, look at this:

D4242 ZABPF 07 - 2 x 1st - 2 x 2nd

D4243 ZABPF 07 - 1 x 1st - 1 x 2nd

D4264 ZABPF 07 - 1 x 1st - 1 x 4th

D4265 ZABPF 07 - 2 x 2nd - Once beaten by her sister 1 x 3rd - 1 x 4th

These 4 birds were bred from Belg 6307691- 06, Verbruggen & De Rijck and Belg 2142776 - 05 De Rijck - Click pair, can you find better pigeons?

Jos Deno - Den Jos Belg 2220081 - 98 -15 x 1st. Jos a friend of mine for many years donated this wonderful pigeon to me.

What a gift, he sired many winners, Belg 2103554 - 07 is another jewel from Jos that bred winners for me. Paired with the son of Bliksem they bred 53057 08 - 3 x 2nd - 6th - 7th - 9th

As a businessman I could not spent time with my pigeons and had to depend on my long time employee Danie Diedericks to race my birds. Although he has no pigeon experience he managed to win races year after year.

In 2009 I spent a few weeks with my pigeons and won 1st Club, 1st Section and 1st Fed Averages middle distance. I did not participate in the long distance races due to a busy business program.

To mention all the results my pigeons achieved will be impossible and time consuming. I thank all my pigeon friends around the world for their friendship and support.

Boet Troskie

Voorwoord - Nico Dreyer

Dit is vir my 'n voorreg om hierdie voorwoord te skryf vir Boet Troskie.

Boet Troskie is sekerlik een van die beste duibeboere wat Suid-Afrika nog opgelewer het. Die bydrae wat hy tot die bevordering van die duibesport in Suid-Afrika gelewer het was enorm. Die Olimpiade in Kaapstad was hoofsaaklik te danke aan die enorme poging deur Boet Troskie.

Boet het geen geld ontsien om net die beste duibe plaaslik en oorsee te koop nie. Boet het toegang tot die hokke van die beste duibeboere in die wêreld gehad en duibe wat na Suid-Afrika gekom het was geteel uit die room van Europa en Amerika.

Van die beste duibe wat ek ooit besit het was afkomstig vanaf Boet Troskie.

Ek het die duibe wat op die veiling beskikbaar is besigtig en kan ek mede duibeboere die versekering gee dat dit een van die beste hokke duibe is wat nog op 'n veiling in Suid-Afrika was.

Hierdie is 'n gulde geleentheid vir elke duibeboer om duibe te bekom wat andersins feitlik onmoontlik sou wees.

Dit is jammer dat Suid-Afrika 'n duibeboer van die gehalte van Boet Troskie verloor maar bied dit nou die geleentheid aan duibeboere om voordeel te trek uit hierdie ongelooflike genepoel.

Nico Dreyer (Bloemfontein)

Voorwoord - André Carelsen

Duibe het nog altyd 'n baie spesiale plek in Boet se lewe gehad. Ongelukkig het 'n besigheidsman soos Boet nie tyd om aan die duibe hulle regverdige tyd toe te staan nie, gevolglik sit daar van die beste duibe wat geld kan koop en oud word.

Dit is hartseer dat iemand soos Boet nie meer aktief kan deelneem aan die sport nie. Ek weet dit was 'n baie moeilike en hartseer besluit vir Boet om die duibe te verkoop, maar die anderkant van die saak is dat dit wonderlike geleentheid vir die ander duibeboere om van die beste duibe te bekom skep.

So ek kan eerlik Boet se duibe aanbeveel vir diegene wat werklik goeie teelduibe wil bekom.

Goeie duibe is die kortste weg na sukses.
